Conditions apply.

With Combination Class flexi fares to Europe, passenger travels economy class on our **oneworld** airline partners BA, CX, JL, QF or Finnair between Australia and Asia & within Europe and business class on both AY long haul sectors.

Finnair long haul flights are defined as AY coded and operated flights between Asia: BANGKOK, HONG KONG, TOKYO, OSAKA, NAGOYA, SHANGHAI, BEIJING, DELHI, MUMBAI & SEOUL and HELSINKI v.v.

For an upgrade on 1 AY long haul only, combine LECO4AU/LECO2AU or MFLEX4AU/MFLEX2AU

Zone 2 and 3 fares available. Commission 7%.

Important note:

GDS system will auto-quote our combination class fare when AY long haul sectors are booked in I class and all other sectors are booked in L or M class. Fares do not include taxes and fuel surcharge. Fares are subject to change. Refer to your GDS.
