

Evolution Hospitality Institute (EHI) for the past 10 years has delivered professional training services in the hospitality arena as one of the leading RTO's in NSW. Our training services and outcomes directly support the industries demand for quality industry professionals who are ready to engage in the workplace.

Evolution Hospitality Institute prides its services and deliverables to students and industry alike, born from a true understanding and dedication having grown through the sector ourselves, with having in depth industry experience and engagement which spans through our Management Team with a collective combined service and experience of 150 years to impart with to the student cohort.

Qualifications offered at (EHI) range from AQF Level of Certificate II to Advanced Diploma, with the learning streams including;

- Asian Cookery
- Commercial Cookery
- Patisserie
- Kitchen Operation
- Hospitality Operations
- Catering Operations

With industry and client demand being put forward, Evolution Hospitality Institute has chosen to increase its delivery scope of training services in the area of Travel and Tourism as a natural pathway, given its symmetry of industry connections.

With the growth in Travel and Tourism not only on shore but with equal demand from offshore, the interest has never been higher. Evolution Hospitality Institute has been working with industry partners through consultation to understand their skill gaps needs. Industry partners have indicated the need to raise and further develop skills to service the needs of the industry sector due to continual technical advancements and ever-changing client needs.

Through this consultation and collaboration Evolution Hospitality Institute has identified key areas to support this shortfall.

Industry Partners have include but not limited too;-

- Gate Gourmet
- Accor Hotels
- Marketing Directors / Guest Services Management of 4 & 5 Star establishments
- Escarpment Group
- Indonesian Government – Ministry of Man Power
- VET Networks
- Singapore Airlines
- Guest Services, Travel and Tourism Agencies. (Inbound and Outbound)

Evolution Hospitality Institutes' strong partnerships and continued ethos within the hospitality sector, means we work tirelessly to meet the needs of the industry sector. Our location in the heart of the Sydney CBD lends perfectly in integrating these qualifications with an equal balance of face to face and a work based training delivery.
