

## OUR COMMITMENT TO YOUR SAFETY

We want to take the stress out of travel, so we've made your health and safety our top priority.

From the moment you hop on a flight with Fiji Airways, touch down at the Nadi International Airport or check-in to your beachside bure, you can relax knowing that each step of your journey is managed with your safety in mind.

Through the Care Fiji Commitment (CFC) program, our entire Fiji tourism industry has adopted WHO-approved best-practice COVID-19 control policies and protocols.
